Hats & Body Protectors

Hats meeting the current standards must always be worn and securely fastened when mounted. It is also advised to wear a hat when handling on the ground.

Body Protectors are mandatory for the cross-country phase and must be up to the current standard. The Blue BETA Level 3 2018 standard is the only standard accepted in BRC events, where a body protector is mandatory.

Up to date standards can be found in the BRC Handbook or on the website.

Refund Policy

Failure to decline a championship invitation before the close of entry so it can be passed down the line may result in the club being charged the entry fee.

Please see the BRC Handbook for details on the refund policy.

Presentations

Presentations will be approximately 30 minutes after results have been finalised and posted.

Presentation times can be found in the BRC Horse Trials WhatsApp group (a QR code to join will be released closer to the time of the championships). Delays to the presentation will be because of objections or queries that will need to be resolved before it can go ahead. Attendance for the presentation will be as per the program.

Salvers

Salvers awarded at championships must be signed for by a nominated person who is then responsible for that salver. It must be engraved and returned to the office on the date stated on the form by recorded delivery and must be packaged with care. Any loss/damage or failure to return the salver by the specified date will result in the club concerned being invoiced for the cost of a replacement. BRC may also refer such matters to the BRC Discipline committee.

If a salver is returned without being engraved the club or competitor will be charged for the cost to do so.

Additional awards

There are four extra awards that can be won over the weekend at no extra cost – entry for these can be made on Sport80 alongside the championship class entries. The awards are:
