

## Cancellation Policy for Accredited Professionals

A request for cancellation of the Accredited Professionals membership scheme must be made in writing.

The Accredited Professional membership is a 12-month rolling contract that includes membership to The British Horse Society (BHS) and other added benefits. You have a 14-day cooling off period from the date your membership starts to cancel and receive a full refund. In order to process this request, we require written notice that must be received in the office within the first 14 days of each year's membership start date.

After this time, you will be entered into a 12-month contract and you are required to pay the remainder of the membership fee in full. Failure to do so, will result in legal action being taken and any costs attained will be payable by the member. No refunds will be issued on cancellation of membership.

If benefits were used during the cooling off period and the membership is cancelled within this time, you are liable for the costs in full and payment of this must be made before the benefit is used. Any orders using the Accredited Professional benefits will also be cancelled.
